1. **Purpose and Scope**

   The purpose of this policy is to provide written processes about –
   a) how the school will respond to harm, or allegations of harm, to students under 18 years; and
   b) the appropriate conduct of the school’s staff and students

   to comply with accreditation requirements.

   This policy applies to students and employees, including full-time, part-time, permanent, fixed-term and casual employees, as well as contractors, volunteers and people undertaking work experience or vocational placements at Mueller College.

2. **Definitions**

   **Section 9 of the Child Protection Act 1999 – “Harm”,** to a child, is any detrimental effect of a significant nature on the child’s physical, psychological or emotional wellbeing.

   1. It is immaterial how the harm is caused.
   2. Harm can be caused by –
      a) physical, psychological or emotional abuse or neglect; or
      b) sexual abuse or exploitation.
   3. Harm can be caused by –
      a) a single act, omission or circumstance; or
      b) a series or combination of acts, omissions or circumstances.

   **Section 10 of the Child Protection Act 1999 – A “child in need of protection”** is a child who -
   a) has suffered significant harm, is suffering significant harm, or is at unacceptable risk of suffering significant harm; and
   b) does not have a parent able and willing to protect the child from the harm.

   **Section 364 of the Education (General Provisions) Act 2006 – “Sexual abuse”,** in relation to a relevant person, includes sexual behaviour involving the relevant person and another person in the following circumstances –
   a) the other person bribes, coerces, exploits, threatens or is violent toward the relevant person;
   b) the relevant person has less power than the other person;
   c) there is a significant disparity between the relevant person and the other person in intellectual capacity or maturity.

3. **Health and Safety**

   The school has written processes in place to enable it to comply with the requirements of the Work Health and Safety Act 2011 (Qld) and the Working with Children (Risk Management and Screening) Act 2000 (Qld).

4. **Responding to Reports of Harm**

   When the school receives any information alleging ‘harm’\(^1\) to a student (other than harm arising from physical or sexual abuse) it will deal with the situation compassionately and fairly so as to minimise any likely harm to the extent it reasonably can. This is set out in the school’s Child Risk Management Strategy.

---

\(^1\) *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld)* s.16(7): the definition of ‘harm’ for this regulation is the same as in section 9 of the Child Protection Act 1999 (Qld)
Information relating to physical or sexual abuse is handled under obligations to report set out in this policy².

5. **Conduct of Staff and Students**

All staff, contractors and volunteers must ensure that their behaviour towards and relationships with students reflect proper standards of care for students. Staff, contractors and volunteers must not cause harm to students³.

6. **Reporting Inappropriate Behaviour**

If a student considers the behaviour of a staff member to be inappropriate, the student should report the behaviour to⁴:

- Paul Valese - Principal; or
- Anthony Hatch - Executive Director.

7. **Dealing with Report of Inappropriate Behaviour**

A staff member who receives a report of inappropriate behaviour must report it to the principal. Where the principal is the subject of the report of inappropriate behaviour, the staff member must inform a member of the school’s governing body⁵. Reports will be dealt with under the school's Complaints Handling Policy.

8. **Reporting Sexual Abuse⁶**

Section 366 of the *Education (General Provisions) Act 2006* states that if a staff member becomes aware, or reasonably suspects, in the course of their employment at the school, that any of the following has been sexually abused by another person:

- a) a student under 18 years attending the school;
- b) a kindergarten aged child registered in a kindergarten learning program at the school;
- c) a person with a disability who -
  - i) under section 420(2) of the *Education (General Provisions) Act 2006* is being provided with special education at the school; and
  - ii) is not enrolled in the preparatory year at the school.

then the staff member must give a written report about the abuse or suspected abuse to the principal or to a director of the school’s governing body immediately.

The school’s principal or the director must immediately give a copy of the report to a police officer.

If the first person who becomes aware or reasonably suspects sexual abuse is the school’s principal, the principal must give a written report about the abuse, or suspected abuse to a police officer immediately and must also give a copy of the report to a director of the school’s governing body immediately.

10. **Reporting Physical and Sexual Abuse**

Under section 13E (3) of the *Child Protection Act 1999*, if a doctor, a registered nurse, a teacher or an early childhood education and care professional forms a ‘reportable suspicion’ about a child “in the course of their engagement in their profession”, they must make a written report.

A **reportable suspicion** about a child is a reasonable suspicion that the child:

- a) has suffered, is suffering, or is at unacceptable risk of suffering, significant harm caused by physical or sexual abuse; and
- b) may not have a parent able and willing to protect the child from the harm.

The doctor, nurse, teacher or early childhood education and care professional must give a written report to the Chief Executive of the Department of Child Safety, Seniors and Disability Services (or another department administering the *Child Protection Act 1999*). The doctor, nurse, teacher or early childhood education and care professional should give a copy of the report to the principal.

A report under this section must include the following particulars:

- a) the basis on which the person has formed the reportable suspicion
- b) the child’s name, age and sex descriptor;
- c) details of how to contact the child;
- d) details of the harm to which the reportable suspicion relates;
- e) particulars of the identity of the person suspected of causing the child to have suffered, suffer, or be at risk of suffering, the harm to which the reportable suspicion relates;
- f) particulars of the identity of any other person who may be able to give information about the harm to which the reportable suspicion relates.

Child Safety Regional Intake Service (Brisbane and Moreton Bay) business hours contact number is 1300 682 254 (from 9am to 5pm Monday to Friday). Outside of these hours, contact the Child Safety After Hours Service Centre on 1800 177 135 (Queensland only).

11. **Responsibilities under the Criminal Code Act 1899 (Qld)**

The *Criminal Code Act 1899* includes two offences that pertain to the failure to report a child sexual offence and the failure to protect a child against a child sexual offence. A child sexual offence is an offence of a sexual nature by an adult against a child under 16 years or a person with an impairment of the mind.

**Failure to Report**

Under section 229BC of the *Criminal Code Act 1899 (Qld)*, all adults must report sexual offences against a child by another adult to police as soon as reasonably practicable after the belief is, or ought reasonably to have been, formed. Failure to make a report, without a reasonable excuse, is a criminal offence. This offence applies to all adults inclusive of students 18 years or older, as well as parents/guardians and volunteers at the school. A reasonable excuse not to make a report under the *Criminal Code Act 1899 (Qld)* includes that a report has already been made under the *Education (General Provisions) Act 2006* (reporting sexual abuse or likely sexual abuse) and the *Child Protection Act 1999* (reporting significant harm or risk of significant harm) as per this policy.
