1. > HISTORY, MISSION & VISION

1.1 // HISTORY

Mueller College was developed as a ministry of the Mueller Community Church. The College commenced in 1990 using temporary accommodation while its first primary school building was being constructed. Students and staff moved into the new premises at 75 Morris Road, Rothwell, in January 1991. In 25 years, the College has grown to over 1400 students covering Prep to Year 12.

To provide the necessary facilities for our students, the College has invested heavily in resources including buildings, equipment, and library. If you are keen to help, we encourage you to donate to the tax deductible Mueller College Building Fund and Mueller College Library Fund. Enquiries may be made at Reception.

1.2 // MISSION

The aim of Mueller College is to prepare its students for life in the world and eternity by applying Biblical principles through excellent education in a distinctly Christian environment. The specifics of this mission are:

- » To present God as Sovereign Ruler of all things and Christ, His Son as Saviour and Lord, through the power of the Holy Spirit.
- » To prepare educational programs which are in harmony with the revealed truth of the Bible and fulfil Government educational requirements consistent with this truth.
- » To help students develop and use their God-given talents in the service of God and mankind by providing quality educational programs addressing spiritual, academic, physical, social and emotional needs.
- » To teach students a Biblical world view, their roles and responsibilities as individuals and as members of the community.
- » To present to students the choice they have in becoming a disciple of Christ and to help them understand the consequences of their decision.
- » To resource the College with dedicated Christians, committed to the Mission of the College, who, through professional skills and spiritual gifts, influence and encourage students and the wider College community in the ways of God and recognise the role of faith in their ministry.
- » To support families in the role of raising their children and to encourage them to be involved in the life of the College.
- » To create an educational environment that encourages students to learn of God and respond to Him in love and obedience.
- » To encourage the College community to be active participants in their local Churches.

1.3 // VISION

The vision of Mueller College is to establish a Christ Centred Environment that provides a safe and supportive educational community for encouraging personal and interpersonal growth.

2. > ADMINISTRATION & MANAGEMENT

2.1 // ADMINISTRATION

The working Directors, Mr R L Heazlewood, Mr L J Heazlewood, Mr L G Miller and Mr A Hatch, are concerned with the administration of the College formulating broad objectives, plans and policies, and overall decision-making.

2.2 // MANAGEMENT

The responsibility for achieving College objectives, plans and policies, lies with the Management staff. The executives responsible for the daily operations of the College are the Head of College, Head of Teaching and Learning, Head of Primary, Head of Secondary, Early Years Co-ordinator and Middle School Co-ordinator.

The Administration and Management teams integrate by way of the Management Committee that consists of Directors, Head of College, Chief Financial Officer and Workplace Health and Safety Officer. The Committee meets monthly and its primary function is to manage the College consistent with its mission and vision.

2.3 // COLLEGE TO HOME COMMUNICATION

Regular communication between the College and home is of great importance. The College will communicate with home by electronic newsletters, email, our website, parent portal and various social media channels. Mueller Connect is our weekly newsletter. Updated every Thursday, Mueller Connect is where you can find out everything you need to know about what is happening around campus www.muellerconnect.com. The College Parent Portal is found at www.muellerhub.com/parentlounge. Parents are welcome to contact College Administration for assistance.

2.4 // HOME TO COLLEGE COMMUNICATION

- » Parents are encouraged to contact the school for any information about their children.
- » The first points of contact for parents are the classroom teachers, then Year Level Co-ordinators and Heads of Primary and Secondary Schools. Appointments to discuss day to day affairs of the College should be made through the Front Office on 3897 2990.
- » The Head of College is available by appointment (Phone 3897 2990).
- » Teachers are only available for calls during non-teaching periods. Appointments can be made through the Front Office (Phone 3897 2990). Please remember teachers are better contacted during lunch hours or immediately after school. The use of email for communication is encouraged.
- » Please advise the College of change of address, email, personal and medical details over the course of the year. This information is important, so parents can be contacted in the event of an accident and students receive appropriate medical care. Changes can be made directly on the Parent Portal.
- » Student absences must be reported and explained on the first day of absence by telephoning 3897 2792 for all Student Absentees (Primary and Secondary).

- » It is very important for notes and Doctors' certificates, where appropriate, to be supplied for absences.
- » In a school of over 1400 students, giving individual messages to students is not possible, except in the case of an emergency.

3. > TEACHING AND LEARNING PROGRAM

3.1 // CURRICULUM

Mueller College is a distinctly Christian school that promotes a seamless education from Prep to Year 12. The College is conducted on a single campus.

3.1.1 // PRIMARY

Our Primary curriculum meets all the requirements of the Australian Curriculum (English, Mathematics, HASS, Science and HPE). Additionally, students study Music, Art, Technology, Chinese, and Christian Studies. While all subjects have been written to be consistent with the Word of God, Christian Studies particularly teaches Godly values and attitudes. Students are expected to take part in all aspects of the program provided.

3.1.2 // MIDDLE SCHOOL

The Middle School at Mueller College allows students to transition for three years, from Primary into the Senior School, providing structure, engaging environments and dedicated spaces, so our students reach their academic, social and developmental goals in a nurturing environment. Middle School is a significant time of growth, change, challenges and intense learning where we pursue a seamless curriculum from Prep to Year 12.

a) Year 7

All Year Seven students will be allocated to a form class on entering Middle School. Attached to this class is a teacher who will work with the students for a significant portion of their timetable, teaching such subjects as SL@M (Student Life @ Mueller), English, Mathematics and Humanities. Depending on their personal area of expertise they may teach them in areas such as the Arts, HPE and Music. Students will engage in a variety of subjects, in addition to those already mentioned, including Design and Technology, Digital Technologies, Chinese and Christian Studies. The Year Seven classrooms are all positioned beside each other and located alongside their personal lockers.

b) Year 8

Year Eight students continue to be allocated a set timetable, however they are enrolled in the Arts Rotation and can select subjects such as Film and Television, Drama, Photography, Musical Theatre, Digital Arts and Dance, allowing them choice and a chance to develop personal interests and skills. A full list of other subjects studied is shown on the following page.

c) Year 9

Year Nine students begin to experience choice in their timetable and are able to select 3 electives from an extensive list of options. These include Chinese, Dance, Geography, Food and Fashion, Physical Education and Digital Technologies. Students are also able to nominate for extension classes in English, Mathematics and Science. A full list of subjects available to study is shown on the following table.

3.1.6 // SUBJECT CHANGES - SECONDARY

If a student wishes to make a subject change, a subject change request form is required within the first week of the semester. Consultation with the relevant HOD's, parents, teachers and Future Pathways department will then occur. When approved the school will facilitate the changes to subjects.

3.1.7 // HOMEWORK AND ASSIGNMENTS

Homework is a valued and important part of the learning process at Mueller College. We have more detailed information about homework in the Mueller College Homework Policy.

Primary School:

Homework expectations vary between year levels in the Primary School. Homework for students in the early years (P–2) will be the learning of sight words, memory verses and reading aloud which will be supported by a reading log. Homework in the upper years (3–6) will generally involve the learning of memory verses and consolidation of literacy or numeracy skills. Homework is expected to be completed however it should not be a major imposition on families and if you have any concerns please contact your classroom teacher.

Secondary School:

Homework in the Secondary School takes the form of reviewing material covered during the school day, completing set homework tasks and working on assessment tasks. Homework expectations vary between subjects but students will generally have homework to complete on school nights. It is an expectation that homework is completed and if it is not done students will be required to complete this at school in break times and parents will be contacted if it is not consistently completed. Homework is recorded in their 'Reminders' app on student iPads or online calendars.

3.1.8 // EXCURSIONS / CAMPS

Mueller College is committed to the provision of educationally valid excursions, including camps. Excursions will be prepared, managed, supervised and monitored in a way that seeks to ensure the health, safety and security of the participating students and staff, as well as others who may be affected by the conduct of an excursion. Camps will run for Years 2, 3, 4, 7, 8, 9, 10 and 11 as compulsory year level camps. There will also be subject specific camps held over the course of the year.

Inclusion in non-compulsory camps or excursions is by application and at the discretion of the Head of College. Criteria for inclusion include, but are not limited to behaviour and payment of school fees.

3.2 // ASSESSMENT AND REPORTING

Assessment is a core part of learning and is completed in almost every subject in the school. It takes many forms from standardised testing, in-class assessment and teacher observation.

In the Primary School, assessment is ongoing throughout the semester however there are times towards the end of term where formal testing will occur, especially in the upper years. Parents are encouraged to communicate with class teachers if there are concerns or issues which will affect assessment. Formal Report Cards which provide a summary of student progress are issued via the Parent Portal at the end of each semester.

In the Secondary School, assessment is more formal and is implemented according to an Assessment Schedule which is released in the second week of each term via the Parent Portal. For assessment other than exams students will also submit a draft prior to the due date for feedback purposes. Assessment procedures are outlined in the Mueller College Assessment Policy. Formal report Cards which provide a summary of student progress are issued via the Parent Portal at the end of each semester. A progress report is also available after Term One.

3.3 // WORK EXPERIENCE / WORK PLACEMENT

Work experience is available in Term Three for Years Ten to Twelve students. Some students in Years 11 and 12 are involved in Work Placement in accordance with Traineeship, TAFE or School-based Apprenticeship requirements. During Term Three students in Years 9 and 10 will meet with staff to discuss their future direction and to complete Set Plans.

3.4 // TEXTBOOK HIRE

- » Textbook Hire (TBH) is located in the Library.
- » TBH is for students in Years 7–12. The Qld Government provides support to parents by paying a textbook allowance to the College, which is used to administer the TBH scheme.
- » Parents can discuss Textbook hire concerns with library staff.

This year the 2018 Book lists will be outsourced to The School Locker.

Secure on line payments via credit or VISA debit card is required when you place your order online.

All stationery must be labelled with the student's name.

3.5 // EDUCATION AND COMPUTER TECHNOLOGY

Technology use in education has changed dramatically over the last 10 years. In 2014 Mueller College moved from relying primarily on computer labs to a BYOD (*Bring Your Own Device*) model. The device of choice at that time was the iPad for its comparatively low cost and its mobility.

Technology is used as a tool to provide an education which remains grounded in Christian values while preparing students for the future of critical thinking and digital citizenship. *Below are the recommendations for the use of technology in 2018.*

Prep – Year 4

Will use class sets of College owned and managed iPads when needed.

Year 5 and 7

Will be provided with a College owned and managed iPad for use throughout the year. The device will be given to the student at the beginning of the year and handed back to the College at the end of the year or when the student leaves the College.

Years 6, 8 and 9

BYOD (*Bring Your Own Device*).

The iPad is the device of preference. A device with lower specifications will not be suitable to complete the academic program. It would be beneficial to note that the school computers and all staff use iPads. A phone is not suitable for the student's device.

Years 10-12

BYOD (*Bring Your Own Device*).

The curriculum in Year 10 -12 is less dependent on specific apps and more reliant upon researching, word processing, content creation and data manipulation. Whilst the iPad can perform these functions well, a laptop is more efficient in and practical for students. A phone is not suitable for the student's device.

5. > FEES 2018

Please check the College website for the 2018 Fee Schedule. Fees for overseas students may be obtained by inquiry from the Registrar.

5.1 // TUITION FEE POLICIES

Mueller College's strategic plan identifies that the College is to conduct its relationships, programs and business dealings in a way that demonstrates Christian values and ethics. Parents are likewise accountable to the College for prompt and full payment of invoiced fees according to the terms of enrolment.

- 1. Due Dates** - Fees are due on the first day of each term unless an alternate schedule has been agreed to in writing with the Accounts Manager. An invoice notifying parents of the amount due will be sent out at least 21 days prior to each due date. If fees are not paid by the due date and you have not signed a current year payment plan, then the account will be listed as overdue and reviewed by the Finance Committee.
- 2. Family Discounts** - The following reduction to tuition fees only is applied when more than one student per family attends Mueller College or Carmichael College in Prep to Year 12:
 - 2 Students** – 10% reduction to every student
 - 3 Students** – 15% reduction to every student
 - 4 Students** – 25% reduction to every student
 - 5 Students** – 30% reduction to every student
 - 6 Students** – 40% reduction to every student
- 3. Early Payment Discount** - An early payment discount of 5% off the tuition fees applies if the full year tuition fee is paid prior to **22nd January 2018**.
- 4. Contacting Accounts** - The preferred method of communication with the Accounts Manager is via e-mail (accounts@mueller.qld.edu.au). This is especially important if you are making requests to the Accounts Manager so that two-way communication can be fully documented for future reference. Parents are also strongly encouraged to provide a current email address to ensure that important financial information such as invoices, payment plans and other notifications are received in a timely manner.
- 5. Payment Methods** - Our preferred methods of payment are BPAY or using the Parent Lounge on-line payment system.
- 6. Overdue Accounts** - Should you experience financial hardship or difficulty with payment of fees, you are invited to discuss an alternate payment schedule with the Accounts Manager on a strictly confidential basis. Communication is vital. All parents or guardians who have signed a Confirmation of Enrolment are jointly and severally liable for the payment of fees. The College reserves the right to make an overdue charge of 10% of the outstanding balance if fees remain unpaid at the end of the year without a prior arrangement being made. Failure to pay overdue accounts may result in your enrolment being stopped or cancelled.
- 7. Notification of Withdrawal** - Notification of withdrawal from the College must be in writing (letter or email), giving one full term's notice. Otherwise, fees for the following term become due and payable.

- 8. Confirmation of Enrolment Fee** - The confirmation of enrolment fee of \$300 is payable immediately after the student enrolment position is confirmed. The confirmation of enrolment fee is non-refundable if the student does not start at the College on the agreed starting date. The confirmation of enrolment fee paid will be transferred to the students school fee account on commencement at the College.
- 9. Exclusion of Students** - Exclusion from the College will entitle parents to have the fees owing adjusted up to the date of exclusion.
- 10. Building Fund / Library Fund Contributions** (Tax Deductible) - Suggested contribution is \$250 per year per family. Cheques are to be made payable to the Mueller College Building Fund or Mueller College Library Fund.
- 11. Excursions, camps and other activities** - The cost of all compulsory excursions, camps, and activities is included in the fees for tuition and there will not be any additional charges for them. Compulsory excursions, camps and activities are either curriculum related or something that every child in the year level is expected to attend if at all possible. Some examples of these are: **Year Level Camps (Years 2, 3, 4, 7-11), Wilderness Camp, Biology Camp, Graduation activities.**

Non-compulsory or extra-curricular excursions, camps, or activities will be charged separately in the term in which the event occurs. Some examples of these are:

Year 6 Canberra Tour, Sports Camp, Music Camp, Music Tour, Sports Academies, Ski Trip, Melbourne Arts Tour, Missions Trips, Instrumental Music Lessons. Payments are to be made via Parent Lounge only.

The costs of all non-compulsory or extra-curricular excursions, camps, or activities must be paid in full prior to the event. **Where tuition fees are outstanding, parents are expected to bring their account up to date before students will be permitted to attend any non compulsory or extra-curricular excursions, camps or activities.**

7. > HEALTH & SAFETY

7.1 // GENERAL

Mueller College recognises that protecting students from harm and the risk of harm is fundamental to maximising their personal and academic potential. For this reason the welfare and best interests of your children will always be our primary consideration.

Mueller College is strongly committed to the care and well-being of students and staff and this section describes policies on Child Protection, Bullying and Harassment, Emergency Procedures, Crisis Care and Counselling, Drugs, Workplace Health and Safety and Privacy. Detailed policies may be accessed on the College website at www.mueller.qld.edu.au.

The interests of the students are best served when home and school are united in their approach. Parents are therefore required to support the Policies and Guidelines of the College. Policies may be varied at any time, and will be communicated either by announcement at school assembly, or publication in the school's newsletter, or through daily notices to students, or on the College website at www.mueller.qld.edu.au.

We expect our students to show respect to our staff, volunteers, and their peers, and comply with safe practices. Employees must ensure that their behaviour towards, and relationships with students reflect proper standards of care for students, and are not unlawful. The College will respond diligently to a report of suspected or actual harm, or risk of harm to a student.

7.2 // CHAPLAINS

Chaplains seek to facilitate the aims of the Mueller College mission, and provide support to students and families. Mueller College has two Chaplains, one male and one female. Students are free to approach a Chaplain at any time.

7.3 // PROTECTION FROM HARM

a) What is harm?

Queensland legislation defines harm as any detrimental effect of a significant nature on the child's physical, psychological or emotional wellbeing. Harm can be caused by:

- » Physical, psychological or emotional abuse or neglect;
- » Sexual abuse or exploitation; or
- » Domestic or family violence.

b) How does the College try to prevent harm?

The Head of College, and the Workplace Health & Safety Officer ensure that:

- » Staff understand and fulfil their obligations under the policies of the College.
- » New staff provide an acceptable reference from their previous employer.

- » Non-teaching staff and non-parent volunteers who have contact with children have a current positive suitability notice issued by the Commissioner for Children and Young People and Child Guardian.

c) How will the College help my child?

If the Head of College receives a report of harm to your child, he will support the child by:

- » Responding rapidly and diligently to the report;
- » Reassuring the student;
- » Protecting the child's confidentiality as much as possible;
- » Offering continuous support; and
- » Providing counselling if requested.

d) What should you do if you become aware or reasonably suspect that harm has been caused to a student of the College by a member of staff, someone outside of the College or by other students?

You should report your concerns to the Head of College, Heads of Sub Schools, or to any other College staff member.

e) What will happen next?

If you report your concerns to staff other than the Head of College, staff will report it immediately to the Head of College and the Executive Director. If the complaint concerns the Head of College then staff will report it to the Executive Director who is Chairman of the College Management Committee. Any action that needs to be taken under staff disciplinary procedures as a result of an allegation not requiring police intervention will be handled confidentially within the College.

It will be reported to police immediately if the harm relates to sexual abuse; or to the Department of Families if appropriate; or it may be dealt with internally if the matter does not require mandatory reporting to an outside authority.

f) What about confidentiality?

It is our policy that confidentiality between the College and parents will be respected and any concerns raised by parents will not rebound adversely on their children. Thus knowledge of it will be limited to the Head of College, the Executive Director and those directly involved.

Each person who has access to information regarding suspected or disclosed harm has an obligation to observe appropriate confidentiality. However, the College is unable to promise absolute confidentiality since the steps of the Policy will require disclosing, internally and externally, certain details involved in responding to the report. State authorities can compel people to give evidence about actions under the Policy and to produce documents. You would be fully informed if information you provided were to be passed on to a third party.

g) What should I do if I require more information?

The College's complete Child Protection Policy is available on the College website at www.mueller.qld.edu.au. Parents and students may access this policy at any time. You may also make an appointment to discuss the policy with the Head of College if you wish to clarify any matters.

7.4 // BULLYING (INCLUDING CYBERBULLYING)

a) Definition

By definition, bullying is repeated oppression, psychological or physical, of a less powerful person or group by a more powerful person or group. It may be manifested in many ways e.g. harassment (verbal, sexual or psychological), victimisation, alienation, coercion, intimidation, exclusion, ostracism, discrimination. Bullying results in hurt, fear, loss of self-esteem and decreased social effectiveness for the victim.

In any form, bullying is not acceptable behaviour within Mueller College because it is entirely contrary to the ideals of the school. In accordance with the school's Mission statement, Mueller College seeks to eradicate bullying by developing in the classroom and publicly in assemblies:

- » Student respect and concern for others, of all races and creeds;
- » Student responsibility for their own behaviour;
- » Critical and effective thinking and problem solving skills in students;
- » Life skills related to healthy life styles; and
- » An environment that nurtures and promotes student self-esteem and self-confidence.

b) Dealing with reports of bullying

The following steps are a guide to dealing with reports of bullying.

1. It is never acceptable to the College to turn a blind eye to bullying. If bullying is reported, staff will act immediately to ensure student safety.
2. A clear account of the incident will be recorded and given to the Head of College or delegate.
3. The Head of College or delegate will then work through the school's Bullying Prevention Policy.

c) Help for students

Students who have been bullied will be helped and supported by:

- » offering an immediate opportunity to discuss the experience with staff of their choice;
- » reassuring the student;

- » offering continuous support; and
- » providing encouragement to form and maintain friendships with non-bullying students.
- » discovering why the student became involved;
- » establishing the wrong doing and the need to change; and
- » enlisting the support of parents/caregivers to help change the behaviour and attitude of the student, where appropriate.

7.5 // SUN PROTECTION

The College is a Sun Smart Accredited School. All students are required to wear suitable sun protective hats (see section on Uniforms) and sunscreen for all outdoor activities, for all seasons, including winter. Sunscreen is provided by the College and kept in classrooms, sports kits and buses. Where possible, events are organised outside peak UV radiation periods. Swimming carnivals are held either in the evening or in covered venues. Sun protection issues are included in the health curricula.

7.6 // CODE OF CONDUCT

The purpose of the Mueller College Behaviour Management Policy is to facilitate an environment which equips students for life in the world and eternity, by applying Biblical principles through excellent education in a distinctly Christian environment.

- » The Christian orientation of the College means that the responsibility of the students is to obey God's Word, to respect authority and to care for others.
- » Students are encouraged to participate in and contribute to the broader life of the College.
- » Students are expected to represent the College and its high standards of behaviour and dress at all times, including travel to and from school and when in public. Students must understand that their behaviour at all times impacts the reputation of the College and the Mueller Community. Behaviours that adversely affect the well being of the community will be investigated and dealt with according to the behaviour management policy.
- » Standards of honesty, courtesy, modesty, and moral purity in word, action and language are to be maintained.
- » Students are encouraged to make friends and be friendly to others. However, we have a "hands-off", "lips-off" policy that precludes outward displays of affection between students while at school or travelling to and from school and at school events.
- » Students must remain in the grounds unless prior permission has been obtained from an approved College Officer. Students must sign out when leaving before 3:10pm. Primary students must be signed out by a parent or guardian.
- » Students are expected to wear their uniforms consistent with the uniform policy.
- » Only natural foundation, clear nail polish and lip balm are permitted.

- » Boys. Faddish hairstyles including afro-style, ponytails or untidy/unkept appearances are not acceptable. Beards and other facial hair are not permitted. - » Girls with pierced ears are permitted 2 plain sleepers or studs in each ear lobe. Earrings in other parts of the ear are not permitted. One dress ring is permitted, while other visible body piercings or tattoos are not permitted.
- » The appropriateness of uniforms and appearance is determined by the Head of College and Sub Schools.
- » Each student is expected to respect the property rights of the school and every member of the school. All breakages and damage must be reported to the Head of College or Sub Schools immediately by the person responsible. All breakages and damage caused by irresponsible or malicious actions of a student must be paid for by the student, parents or guardian of the student. Payment for breakages and damage will be in addition to any disciplinary measures or other appropriate action deemed necessary by the College.
- » Plain contact lenses only are to be worn at school or at school events.
- » It is a criminal offence to use mobile phones (or any device) to menace, harass or offend another person. Students who use their device to engage in personal attacks, harass another person, or post private information about another person using messages, taking or sending photos or objectionable images or bullying other students, or who use vulgar, derogatory or obscene language while using a mobile phone may have their phones confiscated for collection by police, as determined by the Head of College.

7.7 // DETENTIONS AND SUSPENSIONS

- » The College will encourage students to respect themselves and others.
- » Students who disrupt classes, breach school rules and/or display disrespectful behaviour will be dealt with according to the behaviour management policy.
- » Students will be transitioned through progressive levels of consequences if wrong behaviours continue, which may include detention, suspension, or in the case of incidents involving serious breaches of behaviour may require immediate removal of students by parents or guardians.
- » Any process involving suspension or exclusion will involve communication with parents.
- » In the event of exclusion from Mueller College, parents will forfeit their holding deposit.
- » The Head of College is the final arbiter on matters of behaviour management.

7.8 // GRIEVANCE POLICY

Mueller College takes seriously complaints and concerns that may be raised by parents, and they will be dealt with promptly. If a parent has a grievance concerning a student or the child's teacher, please discuss the issue in the first instance, with the teacher. If the problem is not resolved then please contact the relevant Head of Sub School; failing that, contact the Head of College.

Where there is an emergency, the school will arrange for an ambulance to attend the scene, and if necessary the ambulance will take the student to hospital.

c) Infectious diseases

Please be considerate of your child's friends and teachers. Illnesses in the following table spread quickly and easily through whole classes and families. This is an addition to the written authorisation for the administration of medication.
